

LEAN IN CIRCLES

EMPOWERING WOMEN OF ALL IDENTITIES AND DISCIPLINES
TO LEAN INTO THEIR LIVES

WHAT IS A CIRCLE?

Circles are Lean In's bread and butter. In groups of 10-12 people, we hold weekly meetings that facilitate the personal and professional growth of our members. Our circles are led by our Lean In trained circle moderators, and built on the foundation of three aims: to teach skills, spark dialogue, and build community.

1 COLLEGE BOOTCAMP

Moderators: Lauren & Crystal
Navigating college - aimed at first years and undecided majors

RE-ORIENTATION 2

Moderators: Livy & Alice
Prioritizing health and balance with work for sustained success

3 ANYTHING AND EVERYTHING

Moderators: Dorrie & Georgia
Open dialogue and discussion for mutual sharing and learning

LEAN IN & OUT 4

Moderators: Serina & Jane
Space for LGBTQ students and allies on college and beyond

5 HELLO WORLDS

Moderator: Kara
Interdisciplinary students interested in STEM/humanities

THE DINNER PARTY 6

Moderators: Lewei & Runy
Students with an interest in the arts

Interested? Be the first to know when circle registration is open!
